

Rotary Clubs in District 5550 are covered under a comprehensive group insurance policy for Rotary Clubs in Canada. Premiums are paid by the District and assessed to each club based on membership. An invoice for payment is sent to each Club in July of each year by the District Treasurer.

The documents in the [District Insurance Policy documents folder](#) include a description of the policy, directions for reporting claims and the procedures to be followed by Rotary Clubs when requesting confirmation of coverage for special events. Please note limits on such coverage, which may require a club to get additional coverage. Any questions can be directed to:

Irwin H. Kumka, B.Sc. (M.E.), C.R.M.
