

Berg Wopnford

July 4, 1939 - May 8, 2024

Rotary Club of Neepawa

Berg was born in Gimli, MB, and obtained his postsecondary Civil Engineering at the University of North Dakota, then began his lifelong career as Water Resources Engineer with the Manitoba government in Winnipeg and Neepawa. Ernie retired in 1997 and remained in Neepawa.

Berg spent twenty-eight years as an active member of the Rotary Club of Neepawa and passed away at 84 years of age. Berg leaves behind his loving wife Marg, 2 children and 4 grandchildren.

Berg was an active committee member in the many projects that the club did. He was involved in the construction of club roadside signage, building the replacement cook house at Rotary Park, and the outdoor toilet in 2000. Berg was a PHF +1 (including the Tony Otten Paul Harris Award for club and community work), supporter of the Annual Fund and the Polio Plus program. Margaret received the D5550 - Club Paul Harris Award in 2005 for her participation in the Neepawa Inner Wheel.
