

MESSAGE FROM THE DISTRICT GOVERNOR

I am excited to continue to serve on the board of Rotary District 5550. I am back as District Governor, a position I held only three years ago. This year I would like to try using video messages to greet district members every month. We will see how it goes, but nothing ventured...nothing gained. As the 2022-23 theme suggests, dream big and take action.

MESSAGE FROM THE ASSISTANT DG

Hello Rotary District 5550 Club Members. It is great to be doing another DG Tour with all of you. There used to be more of you. Do you need any help engaging members?

I turned 14 (98) on June 1, 2022 and so this will likely be my last tour around the District with Dad. I hope to see many of you, even if it is virtual, and I hope you will invite your friends and neighbours to join in the great work that Rotary does in our local and global communities.

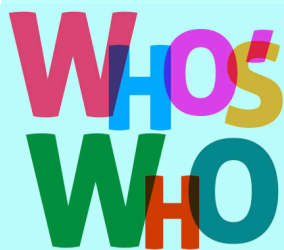

My contribution is to make sure that Dad gets out for some exercise each day. It helps to relax him a little and we know he needs to work at that. It also gives me an opportunity to take care of business. Our walks are shorter these days. Dad kind of wore me out a little during the 75 Day Challenge.

I'm really looking forward to meeting our new Rotary International President Jennifer Jones on July 6 and 7 in Winnipeg. Such an historic occasion! I hope that I will meet you there as well.

Dad and I would love to visit you and your Club Members. Let us know what works and we will do our best.

Until next month,

Zoey
